

REQUEST FOR QUOTATION – LARGE GAS

General Information

Distributor Name			Contact Name		
SAP Quotation Number		Received		Required	
Project Name			Industry		
Project Location			Sector		
Site Phase		Purchase Process			
Specification Position			Type		
Order Probability (%)		Order Month		Order Year	

Site Application Information

Number of Units		Genset Model		Rating Type	
Exhaust After-Treatment		Fuel Type			
Site Emissions (if required)	g/bhp-hr	Fuel Composition (if required)			
NOx					
CO					
VOC (NMHC)					
Site Elevation (ft)		Min Temp (°F)		Max Temp (°F)	

Generator Set Application Options

Generator Set System	Application		Utility Control Interface		
	Voltage		Alt. Temperature Rise (°C)		
	Frequency		Circuit Breaker		
Cogeneration System	Engine Heat Recovery		Inlet Process Temp (°F)		
	Exhaust Heat Recovery		Outlet Process Temp (°F)		
Enclosure System	Type		Sound Pressure Level (dBA)
