

PARTS BULLETIN

Original Issue Date: **7/11**

Models: **All**

Market: **Industrial, Mobile, ERES Residential**

Subject: **Product Paint Change**

Kohler Power Systems implemented a change to textured paint and coatings **effective on generator sets manufactured with serial number 3000000**. The change improves corrosion protection, scratch resistance, and aesthetics of our metal processed components. This change affected only current production of painted Industrial, Residential (40kW and greater), and Mobile products. Marine products will remain with the standard gloss finish.

Kohler Power Resource Center

The Kohler Power Resource Center Order Page changed to accommodate the paint selection.

A warning will appear when a metal processed part requiring a paint selection is ordered. See Figure 1 for a screen display.

Parts Order Processing Change

Effective in mid July 2011, ordering painted metal processed parts requires a decision on whether the part needs to be painted gloss or textured.

A “-G” suffix is added to the part number to indicate a gloss paint. A part number without the suffix has textured paint. See the following table.

Sample Part Number	Current Production Part Number	
	Painted Gloss	Painted Textured
	Before Serial Number 3000000	Serial Number 3000000 and After
GM22809	GM22809-G	GM22809

Order Reason*: Priority Order-Service Parts
 Shipment Method*: Parcel-Ground
 Ship Complete ☐
 Requested Delivery Date: 08/13/2012
 Order Notes:

Total Net Price:	Estimated Total Weight:
237.60 USD	240.000

Item	Product*	Quantity*	Unit	Description	Total Price Unit Price
10	GM22809 Please Contact Factory.	1	EA	Roof (NST)	237.60 USD 237.60 USD / 1 EA
ATTENTION: SERIAL NUMBER BREAK: For units with serial number 3000000 and above, order (GMXXXXX) Texture painted part. For units with serial number below 3000000 order (GMXXXXX-G) adding the -G designating Gloss painted part. Please refer to PB-150. Click Here
