

## Recommended Spare Parts Lists

The recommended spare parts files contain recommended spare parts lists for selected marine and industrial/standby generator sets. Prices on the lists are current as of the issues date. Prices are included for budgetary purposes; verify prices before ordering parts.

**Note:** Recommended spare parts lists are based upon the most common modules. Specifications and modules vary. Verify the part numbers against the parts catalog prior to ordering parts to be sure you are ordering the part numbers corresponding to your configuration.

The following table shows the number of recommended spare parts lists by engine manufacturer. To access a file, click the file name below.

### Recommended Spare Parts Lists (Current Product)

Market	Engine Manufacturer	No. of Models	File Name
Industrial	Detroit Diesel	26	<a href="#">DDC.xls</a>
	Deutz	3	<a href="#">Deutz.xls</a>
	Ford	17	<a href="#">Ford.xls</a>
	General Motors	6	<a href="#">GM.xls</a>
	John Deere	11	<a href="#">JnDeere.xls</a>
	Kohler	2	<a href="#">Khlr.xls</a>
	Mitsubishi	3	<a href="#">Mitsubishi.xls</a>
	Yanmar	6	<a href="#">Yanmar.xls</a>
Marine	Yanmar	12	<a href="#">Ynmarmar.xls</a>
	Ford	2	<a href="#">Fordmar.xls</a>
	Kawasaki	4	<a href="#">Kawasaki.xls</a>

The Industrial recommended spares are for 60 Hz modular specs with Dec3/Dec3+ controllers and unit-mounted radiators.

### Recommended Spare Parts Lists (Discontinued Product)

Market	Engine Manufacturer	No. of Models	File Name
Industrial	Cummins – 40kW	1	<a href="#">Cummindc.xls</a>
	Detroit Diesel 2 cycle	24	<a href="#">DDCdc.xls</a>
	Ford	15	<a href="#">Forddc.xls</a>
	John Deere	10	<a href="#">Deeredc.xls</a>
	Kohler	2	<a href="#">Kohlerdc.xls</a>
	Perkins	4	<a href="#">Perkinsdc.xls</a>
	Wisconsin 15RMY	1	<a href="#">Wiscdc.xls</a>
	Yanmar	6	<a href="#">Yanmardc.xls</a>
Marine	Cummins	2	<a href="#">Cummardc.xls</a>
	Ford	3	<a href="#">Fordmardc.xls</a>
	Honda	8	<a href="#">Hondamardc.xls</a>
	Yanmar	9	<a href="#">Ynmarmardc.xls</a>

The spare parts lists for discontinued product contain recommended spares for a representative configuration of selected models. Part numbers vary by configuration and are subject to change.

**Questions?** Email [aftermarketparts@kohler.com](mailto:aftermarketparts@kohler.com) with questions you have on any of the information in the files or to obtain a recommended spares list for modular options not listed.
